## PROFESSIONAL SUMMARY

MCA student with 8.88 CGPA and 4 months of hands-on Java Full Stack Development internship experience. Skilled in Java, Spring Boot, Spring MVC, Hibernate, REST APIs, JSP, Servlets, MySQL, and web technologies. Experienced in developing AI-powered applications, database-driven systems, and REST APIs, with strong problem-solving skills and knowledge of Data Structures and Algorithms.

## TECHNICAL SKILLS

|                  |                                                                            |
|------------------|----------------------------------------------------------------------------|
| Programming      | Java (Core & Advanced), C, C++                                             |
| DSA              | Data Structures & Algorithms                                               |
| Backend          | Spring Boot, Spring MVC, Spring, Hibernate, JDBC, Servlets, JSP, REST APIs |
| Frontend         | HTML5, CSS3, JavaScript, Bootstrap                                         |
| Database & Cloud | MySQL, AWS Cloud Foundations, AWS Cloud Architecting                       |
| Tools            | Git, GitHub, Postman, Maven, Eclipse, STS, VS Code                         |

## EXPERIENCE

### Java Full Stack Developer Intern

Jan 2025

#### Ypsilon IT Solutions Pvt. Ltd., Indore | 4 Months

- Developed dynamic web pages and backend functionality using Java, Spring Boot, Spring MVC, Hibernate, JDBC, and MySQL.
- Built responsive user interfaces using HTML, CSS, JavaScript, and Bootstrap.
- Tested and verified REST APIs using Postman and supported frontend-backend integration.
- Collaborated with the development team to implement application modules, debug issues, and deliver project features.

## PROJECTS

### Intelligent AI Resume Analyzer and Career Assistant

Java, Spring Boot, AI API, REST API, JSP, MySQL, Postman

- Developed an AI-powered application that analyzes uploaded resumes, generates ATS scores, identifies missing skills, strengths, weaknesses, and provides personalized improvement suggestions.
- Implemented job-description matching, interview question generation, resume improvement features, file upload, and MySQL data storage.

### Training Institute Management System

Spring, Spring MVC, Hibernate, JSP, MySQL

- Developed a web application for managing student registration, courses, fee records, and institute information.
- Implemented Hibernate ORM mapping and CRUD operations with MySQL.

### Online Pharmacy Store

Java, Servlets, JSP, JDBC, MySQL, Bootstrap

- Developed an e-commerce web application with medicine catalog, shopping cart, and checkout functionality.
- Managed backend data processing using Servlets and JDBC with MySQL and designed responsive views using Bootstrap.

## EDUCATION

|                                                         |                       |
|---------------------------------------------------------|-----------------------|
| MCA — Medi-Caps University, Indore                      | 2025–2027   8.88 CGPA |
| BCA — Sanskar College Of Prof. Studies, Indore          | 2022–2025   8.02 CGPA |
| Class XII (MP Board) — Govt. Model H.S. School, Neemuch | 2022   77.8%          |
| Class X (MP Board) — Govt. H.S. School, Barlai, Neemuch | 2020   93.0%          |

## CERTIFICATIONS & LANGUAGES

|                                                     |                                      |
|-----------------------------------------------------|--------------------------------------|
| Java Full Stack Development — Universal Informatics | AWS Cloud Foundations — AWS Academy  |
| Java Full Stack Internship — Ypsilon IT Solutions   | AWS Cloud Architecting — AWS Academy |
| C/C++ Programming — Universal Informatics           | Languages — Hindi, English           |
